

Pine Tree Admission Consortium Tour - “Rules of the Road”

Thank you for being part of the Pine Tree Admission Consortium’s (PTAC) 2018 tour!

After 25+ years of successfully providing this tour, we have found that tour participants appreciate knowing in advance what is expected of them. These “Rules of the Road” represent our expectations of our guests and should be considered as conditions for participation. It is our assumption that you will be fully involved in all aspects of the tour. Early departure from the tour will result in the forfeiture of your deposit.

I. Registration

Participation in the Tour is on a ‘first come, first served’ basis. There is a limited amount of space on this tour (22 spots) available. As such, there is a priority deposit deadline of November 1st. A refundable (if unable to participate in the tour with early notification to Tour organizers and upon completion of the tour) \$100 is required to hold a spot in the PTAC Tour.

If you have been selected and are unable to participate in the tour, please notify the tour organizers as early as possible. Historically, there has been a waiting list to attend this tour. No refunds will be issued for withdrawal from the Tour after March 1st.

II. Arrival and Departure

Tour participants are responsible for their own travel to and from the host hotel. Check-in at The Regency in Portland (www.TheRegency.com) on Sunday, April 22 - no later than 5:00PM.

Departure will occur after the conclusion of the final college visit on Thursday, April 26 by 2:00PM.

III. Participation

Full participation is expected and includes the orientation meeting and dinner on Sunday, April 24; riding the bus to and from all campus visits; participation in each campus visit and the New England Lobster bake on Wednesday, April 25 (note: dietary needs can be accommodated).

Members of the Pine Tree Admission Consortium put a great deal of effort into organizing your visit to their campus. We ask that you help us keep to our schedule by being on time for the bus boardings and departures. This is especially important first thing in the morning.

IV. Campus Visits

You will be given each school’s promotional materials and a booklet with fact sheets at Orientation. The PTAC schools have agreed not to distribute other literature to you during the tour and to limit handouts to agendas, campus maps, and rosters of your students in attendance. Following the tour, each college is free to send you additional publications and information.
